

DEPARTMENT OF THE NAVY  
NAVAL WEAPONS SUPPORT CENTER  
CRANE, INDIANA 47522

IN REPLY REFER TO:

The Secretary of the Navy takes pleasure in presenting the NAVY  
ACHIEVEMENT MEDAL to

Robert J. Brown, Lieutenant  
Civil Engineer Corps  
United States Navy

for services as set forth in the following

CITATION:

For professional achievement in the performance of his duties while serving as an Activity Civil Engineer in the Public Works Department, Naval Weapons Support Center, Crane, Indiana, from 30 October 1979 to 30 November 1982. Lieutenant Brown's exceptional leadership abilities and motivation were directly instrumental in providing effective Public Works support to the Crane Army Ammunition Activity, the largest tenant Command located on the Center. The mission of the Crane Army Ammunition Activity often required immediate construction, alteration/improvement or facility repair effort to maintain rigid ammunition production schedules. Through Lieutenant Brown's management skill and personal drive, these requirements were recognized and coordinated through the required project definition, engineering, and material procurement phases ultimately leading to successful project completion. Lieutenant Brown's exceptional professional ability, initiative, and loyal dedication to duty reflect great credit upon himself and the United States Naval Service.

For the Secretary of the Navy
